Altar Linens

Each time you assist the assembly to enter into the liturgical celebrations in a full, conscious, and active way you help all of the baptized fulfill their duty to participate in the one priesthood of Jesus Christ. Did you know that?

While you may know the practical aspects of your ministry very well, is it time for you to get an update on the theological and liturgical aspects? Knowing these will only enhance your appreciation of the ministry you already do and allow you to enter into this ministry in a deeper and more effective way.

A ten hour course giving a systematic overview of Catholic teaching on the nature of the Liturgy and the Sacraments is being offered as a part of the larger program called Formation Toward Christian Ministry (FTCM).

This summer, this course is being offered twice in an intensive format.
