

Build the language of faith!

INTRODUCING
CATHOLICQUIZ.COM

ARCHDIOCESE of GALVESON-HOUSTON

The Archdiocese has a brand new membership to CatholicQuiz.com – an interactive website with games and quizzes that build religious understanding, curiosity and confidence in learning the Catholic faith. Our Archdiocesan-wide Membership gives every Catholic 24/7 access to the entire CatholicQuiz.com website with over 7,500 Church approved Q+A created for everyone (from the youngest readers to adults) and presented in easy to play games and quizzes.

All are invited to login to the website and play from any computer with an Internet connection. As people play, learn and grow in faith knowledge, they will accrue CQ-IQ points across ten different knowledge categories and four challenge levels. Together, everyone will accrue points for every game played and every question answered correctly. You can play from your home computer, at school, at parish gatherings or on- the-go with your laptop, iPhone or iPad.

See below for easy-to-follow instructions for getting started.
